St. Louis Master Gardener Application of Intent to Complete Advanced Certification & Credit Log

The University of Missouri Extension and the Missouri Botanical Garden Advanced Master Gardener Certification is designed to give St. Louis Master Gardener volunteers training that will make them more knowledgeable on a variety of horticulture topics.

Name: _____

Address: _____

Telephone: _____

Email: _____

I am an active St. Louis Master Gardener and understand that to obtain advanced Master Gardener Certification I must accumulate and report 24 credits of advanced training within three years of my enrollment date. I understand that St. Louis Master Gardeners are prohibited from using their title or the organization's name or property, for private profit or benefit.
